

Karan Solanki

Aspiring Digital Marketer • Handloom Silk Saree Weaver

 Surendranagar

 karansinhsolanki786@gmail.com

 Male

Objective

To build a successful career in digital marketing by combining strong personal skills such as communication, adaptability, and problem-solving with expertise in SEO, social media management, and content strategy. I aim to contribute to business growth through innovative campaigns, data-driven decisions, and continuous learning while delivering measurable results.

Skills

- I can talk well with the person in front of me (strong interpersonal communication).
- Good confidence to speak in front of people (public speaking).
- I can weave handloom silk sarees (traditional craft expertise).
